Map constructed by Chatham Area GIS
Contours are shown at 500-foot intervals
Scale 1:78,000

NOTE: VCU shapes as red on this map have not been approved by the U.S. Forest Service and are shown only as an aid to orientation by the user.

Alternative C is the preferred alternative to the proposed action, as shown on this map. It is based on the best available information and is subject to change as more information becomes available. In addition, the alternative management prescription is subject to change as more information becomes available. The U.S. Forest Service will continue to monitor the implementation of the plan and will make adjustments as needed.
